

REMARKS

The Office Action dated June 29, 2005, has been carefully reviewed and the foregoing amendment has been made in response thereto. Claims 1-20 have been canceled and claim 24 has been added. Claims 21-24 are pending in the application.

The allowance of claims 21 and 22 is gratefully acknowledged.

The rejection of claim 23 under 35 USC 112, second paragraph, is respectfully traversed. Original claim 23 recited two separate embodiments, which led to the indefiniteness pointed out in the Office Action. Claim 23 has been amended to recite only the embodiment using inwardly pushable tabs. New claim 24 has been added to cover the embodiment having inwardly extending flexible teeth. Therefore, claims 23 and 24 are now in compliance with 35 USC 112.

In view of the foregoing amendment and remarks, claims 21-24 are now in condition for allowance. Favorable action is respectfully solicited.

Respectfully submitted,

Mark L. Mollon
